Digital **4** Business

Evolving your digital future

Hello!

We would like to introduce an opportunity for upskilling your workforce through the **Digital4Business Joint Professional Master's Programme** — an EU co-funded, internationally accredited Master's designed specifically to meet the needs of European industry.

Delivered fully online by four leading universities — Linköping University, NOVA IMS, the National College of Ireland, and the University of Bologna — this flexible programme offers:

- ✓ Specialisations in Digital Transformation, Cybersecurity, AI, Blockchain, and more
- ✓ Full-time, part-time and accelerated study options
- ✓ Standalone micro-credentials and stackable modules

✓ Curriculum designed in close collaboration with industry leaders like DTSL, Skillnet Ireland and The Adecco Group

This is a unique opportunity to support the career development of your employees while strengthening your organisation's digital capabilities.

Discover our programme built for busy teams

Focused on fast-tracking the digital transformation of European SMEs & Companies through skills.

60 ECTS Master's Programme addressing the real Digital Skills needs of EU SMEs.
Build you own Masters, starting with Digital Transformation and

Digital Transformation 10 ECTS - Mandatory Core Module
